Parking on Campus

All parking lots on campus require a parking permit to park or require payment at a parking meter except for Lot F-1 and Lot F-2.

Visitor Parking Lots (yellow lots on map) are metered lots and require payment at the parking meters or paymaster station.

General Parking Permits are valid in all General Parking Lots (red lots on map) only.

Reserved Parking Permits are valid in the specified parking lot(s) listed on the permit only.

Free Parking is available in Lot F-1 (located across the street on the north side of Nemzek Hall in the 1700 block of 6th Avenue South) as well as in Lot F-2 (located in the 1000 block of 4th Avenue South). Parking is not allowed in the free parking lots between the hours of 3:00 am to 6:00 am.
