

Dear Friend of the Steve Rummler HOPE Network,

For over a decade, the Steve Rummler HOPE Network has worked tirelessly to combat the devastating impacts of the opioid crisis. Our organization has distributed over 100,000 naloxone kits (almost 300,000 total doses of naloxone) and 35,000 fentanyl test strip kits (140,000 individual test strips), trained 24,000 people on how to recognize and reverse and opioid overdose, and passed legislation to improve community naloxone access.

While our passion drives us to continue our fight, we can't do this work alone. We rely on the support of individuals and partner organizations to help us operate our programs, expand our services, reach more people in need, and make a greater impact in the communities we serve.

On October 27, 2023, Steve Rummler HOPE Network will host our seventh annual gala, Rise Together. We are so excited to join our Network to celebrate the strength and tenacity of our community and the progress we've made through the power of connection. This event is a key fundraiser for our organization, and we are reaching out to partners like you to request your support as a sponsor.

Your support of our gala will directly impact our capacity to create a broader community response to the opioid epidemic through overdose prevention and response, stigma reduction, education, and advocacy.

As a sponsor of our event, you will receive recognition in our event materials. Additionally, you will have the opportunity to connect with other individuals and organizations who are passionate about supporting our cause. Please see the attached sponsor information sheet for details. If sponsorship isn't an option for you, we are also taking items for our live and silent auction, so please let us know if you'd like to donate!

Thank you for your consideration. We hope that you will join us in our mission to save lives and create meaningful change in our communities.

Sincerely,

A handwritten signature in black ink that reads "Alicia House".
