

Thank you so much for your interest in our Fentanyl Awareness Campaign! If you're interested in promoting the campaign on social media, we encourage you to do so! Below are some examples for you to use as a guide.

Fentanyl Awareness Messaging

- * 🔍 Knowledge empowers us to make safer decisions. 🧠 Did you know that over half of pills bought online or on the street contain potentially lethal amounts of fentanyl? Visit fentfacts.com to learn more and make safe choices. #FentanylAwareness #FentFacts #IfYoureGoingToUseKnow
- * 🌐 Did you know that fentanyl is often found in pills sold online or on the streets? The truth is, over half of these pills contain potentially lethal amounts of fentanyl. But here's the good news – by staying informed, you can protect yourself and your community. Explore fentfacts.com for information and resources. Your safety matters. ❤️ #FentanylAwareness #FentFacts #IfYoureGoingToUseKnow
- * 🌟 Empower yourself with information: Overdose is the leading cause of death for Americans aged 18-45. Let's prioritize safety and understanding. Discover more at fentfacts.org. ❤️ #FentanylAwareness #FentFacts #IfYoureGoingToUseKnow

NAP/Harm Reduction Messaging

- * 🌟 Take control, stay informed. Naloxone and fentanyl test strips are practical tools that can keep you and your community safe. Visit FentFacts.com to get some for free today. #FentanylAwareness #FentFacts #IfYoureGoingToUseKnow
- * Did you know that fentanyl is often found in pills sold online or on the streets?
